**If you are using Oral Contraceptives**, it is important that you understand that antibiotics ( and some other medications ) may interfere with the effectiveness of oral contraceptives. Therefore you will need to use mechanical forms of birth control for one complete cycle of birth control pills, after the course of antibiotics or other medication is completed. Please consult with your physician for further guidance.

**Please sign after you have had the opportunity to discuss your health history with the doctor.**

**I understand the importance of a truthful Health History to assist the doctor in providing the best care possible. I have had the opportunity to discuss my Health History with my doctor.**
